BWCI signs GET Disability Charter

BWCI is delighted to have signed up to the Guernsey Employment Trust (GET) Disability Charter. Demonstrating commitment to the nine aspects of the charter further embeds the culture of embracing diversity and inclusion at BWCI. Part of the commitment includes providing training for all staff on disability awareness, and we look forward to welcoming GET to our business to educate our staff further.

Having already secured a close working relationship with GET and employed staff through them.

Alison Hawkins, BWCI's Senior Manager, HR said:

"We are really pleased to have secured our commitment to equal opportunities in employment in Guernsey by signing the GET charter, and are keen to bring to life the commitments we have made a pledge towards. We look forward to continuing our working relationship with GET, and contributing towards change in the island."
